

INDOOR GOLF / THEATER COMBO *for Golf Course Clubhouses & Resorts*

HIGH DEFINITION GOLF™ from Interactive Sports Technologies is the world's most amazing photo-realistic golf simulator. Advanced stereoscopic computer vision provides extremely accurate ball tracking and trajectory analysis. It is the only virtual golf system that looks absolutely real; like you are actually on the golf course. Play the world's finest golf courses, practice all types of shots on a wide selection of practice ranges, and compete in long drive and closest-to-pin contests. The system can also be used as a super large (12' x 9'), HDTV compatible theater system for watching sporting events, DVD's, or business presentations.

HIGH DEFINITION GOLF™ is particularly well-suited as an upscale amenity for Golf Course Clubhouses and Golf Resorts by providing the following benefits:

- Multi-purpose – use for golf practice/entertainment and also for golf instruction & club fitting
- Enhances clubhouse facilities with high quality, interactive entertainment
- Professional teaching and club-fitting software and accessories including swing analyzer and launch monitor
- Allows guests to practice/play golf regardless of weather, time-of-day, etc.
- Generates revenues – rent at \$30/hr or offer as complimentary upscale amenity
- Provides incentive for golfers to spend more time in the clubhouse
- Enhances food & beverage sales
- Differentiates clubhouse from those with only standard amenities and promotes guest loyalty
- Unique capability to feature your own golf course
- Promote pro shop items, golf lessons, food & beverage specials, etc. via on-screen advertising with much higher impact than traditional advertising methods such as stationary signs.
- Space efficient – exceptional entertainment value in a relatively small amount of space with no construction required; room can also be used for other functions
- Virtually maintenance-free
