

VIRTUAL GOLF / THEATER COMBO

for Luxury Homes

High Definition Golf™ from

Interactive Sports Technologies is the world's most amazing photo-realistic golf simulator. Advanced stereoscopic computer vision provides extremely accurate ball tracking and trajectory analysis. It is the only virtual golf system that looks absolutely real; like you are actually on the golf course. Play the world's finest golf courses, practice all types of shots with a wide selection of practice ranges, and compete in long drive and closest-to-pin contests. The system can also be used as a super large (12' x 9'), HDTV compatible theater system for watching movies, sporting events, DVD's, etc.

High Definition Golf™ is particularly well-suited for luxury homes and provides the following benefits:

- High quality, interactive entertainment
- Fun for all ages and skill levels
- A fabulous selection of World Famous Championship golf courses
- Wide selection of practice and competition formats
- Non-intimidating for the novice or first time golfer
- The ultimate skill development tool for the more advanced player
- Professional accessories available that fully integrate with the system
- Multi-functional – Can be used as a super large screen TV (HDTV compatible)
- Space efficient – exceptional entertainment value in a relatively small amount of space (10' or 9' 6" high, 14' wide, 20' deep) with no construction required; room can also be used for other functions
- Virtually maintenance-free
- Very easy to use!
